

Are you looking for advice or support for your business or business idea?

There are great range of services on offer in Geelong to kick start your business idea or to take your business to the next level. Get in touch with us to connect to a range of Government assistance.

Geelong Small Business Festival

Small business is big business in August. Over 40 information and networking sessions are hosted during the month providing practical information on a range of topics such as Marketing, Social Media and Business Development. There are also plenty of networking opportunities. The full program is available from 4th June 2017.

Small Business Victoria Workshops

These minimal cost workshops provide valuable advice and information on a range of topics including Starting a Business. The workshops held at City of Greater Geelong offices are heavily subsidised by the Victorian Government. The events will be published on the Geelong Business Calendar in 2017.
